1. District Fund budget estimates of receipts and disbursements for 1907-08.

Resolved that as the balance available will only amount to Rs. 5,210 after deducting the one-eighth of the total Revenue for the opening balance, only Rs. 1,018 can be spared for the Public Works Department original works out of Rs 20,000 asked for, and that this Rs. 1,000 be devoted to the opening of the road from Nelamangala to Sondekoppa and that the balance of Rs. 4,192 be kept for unforeseen expenditure. Further, that Government be asked to contribute Rs. 3,000 out of Local Funds General for the rebuilding of the bridge on the Bangalore-Magadi road.

Also that the Muzrai Department be asked to expend Rs. 1,000 on the improvement of the road to Subrayanghati as it is used exclusively for the temple.

2. Read docket No. 5253, dated 27—29th November 1906 from the Executive Engineer, Bangalore Division, forwarding for countersignature an estimate for Rs. 2,460 for opening a new road from the 21st mile of Bangalore-Mangalore road to Sondekoppa, Nelamangala Taluk.

No necessity to include this as it has been sanctioned by the Board.

3. Docket No. 5080—L. F. 235-06-2, dated 14th December 1906, from the Secretary to Government, General and Revenue Departments, *in re* the acquirement of Survey No. 41—2 for a new village site, in the Kavalahalli village, in the Dodballapur Taluk, and requesting to place the matter before the Board and to submit their resolution together with the views of the Sanitary authorities regarding the eligibility of the site proposed on sanitary grounds, for the formation of a village site.

The Board is of opinion that the local officers are the only persons to judge in a matter of this kind and are best able to give an opinion.

3 a. Letter No. 2575, dated 2nd January 1907, from the Military Assistant to Government requesting to move the District Board to pass the additional expenditure of Rs. 220-9-8 on account of the up-keep of the road between Iverkhandpur and Bunavar Railway Station.

The Board regret to state that they have no funds for this.

4. Letter No. 6041-8—L. F. 185-06-1, dated 4th January 1907, from the Secretary to Government, General and Revenue Departments, forwarding for consideration of the District Board, Subject No. 218 of the Dasara Representative Assembly, to set apart a portion of Local Fund amount for the sanitary improvement of villages, and to utilize the same every year for the benefit of the villages containing more than 50 houses.

The Board is of opinion that it is impossible to lay down any hard and fast rules on the subject, but is always willing to allot sums for this purpose when funds permit.

5. Letter No. 6021-8—L. F. 200-06-1, dated 4th January 1907, from the Secretary to Government, General and Revenue Departments, forwarding for report with the views of the District Board, Subject No. 239 of the Representative Assembly Proceedings of 1906 *re* the giving up of maintenance of roads leading to certain estates from District Funds on account of the prohibitive cost as compared with the local cess realised from those estates.

There are no such estates in this district.

6. Letter No. 6289-89—L. F. 86-06-1 of 11—16th January 1907, from the Secretary to Government, General and Revenue Departments, forwarding for information Subject No. 219 of Dasara Representative Assembly regarding the use of the Mohatarfa amount realised in non-municipal villages for the sanitation of those villages.

Noted.

7. Letter No. 6233-40—L. F. 190-06-1 of 11th January 1907, from the Secretary to Government, General and Revenue Departments, for report with the District Board's resolution Subject No. 223 of Dasara Representative Assembly, *in re* the Sanitation Rules to be made applicable to villages containing 50 houses.

The Board is of opinion that the Village Sanitation Rules should be confined to villages containing 100 houses and no less.

8. Letter No. 6217-24—L. F. 196-06-1 of 11th January 1907, from the Secretary to Government, General and Revenue Departments, forwarding for report Subject No. 230 *in re* the rate of fine for impounded goats being increased, with copies of resolution adopted by them, and with his own opinion in the matter as required by rules.

The Board is of opinion that the present fine of one anna per head is quite sufficient.

9. Letter No. 6241-8—L. F. 178-06-1 of 11th January 1907, from the Secretary to Government, General and Revenue Departments, forwarding for consideration of the Board Subject No. 211 of Dasara Representative Assembly Proceedings *in re* the maintenance of District Fund roads to be met from Provincial Funds.

Noted.

10. Letter No. 6313—L. F. 227-06-1 of 11—16th January 1907, from the Secretary to Government, General and Revenue Departments, forwarding for consideration of the Board and needful action, Dasara Subject No 511 *in re* the repair of Krishnarajpur-Whitefield road to be entrusted to the Public Works Department.

The Board is of opinion that as Whitefield has ample roads at present, it would only be a waste of money to repair the present proposed road.

11. Letter No. 325—93 of 21st—23rd January 1907, from the Executive Engineer, Bangalore Division, *re* the construction of a damaged bridge at 3—25 of Bangalore-Magadi-Hüliyurdurga road, at a cost of Rs. 3 000 instead of constructing a bridge at a cost of Rs. 3,000, across the fort ditch at Hoskote, which was sanctioned in the District Fund budget for 1906-07.

Resolved that this amount may be reappropriated for the work mentioned.

12. Non-budgetted urgent District Fund works requiring sanction of the Board:—

	Rs.
1. Sinking a well at Doddagattimadu, Dodballapur ...	50
2. Constructing drains at Yelahanka and improving the sanitation of the village	45
3. Constructing a lane in Bidadi	50
4. Sinking a well at Chokkanahalli, Dodballapur ...	441
5. Bill towards the initial cost of purchasing furniture to the native Vaidyasala at Kunigal	15
Total ...	601

Resolved that the first three be passed, but that the proposed site for a well at Chokkanahalli be further investigated by the Assistant Commissioner and reported upon.

The bill for furniture to the Vaidyasala for Rs. 15 is passed.

13. Docket No. 4861 of 21st—24th January 1907, from the Senior Surgeon and Sanitary Commissioner requesting to obtain sanction of Government for incurring an expenditure of Rs. 86-10-3 for the construction of sheds to locate the Dispensary at Vartur during the prevalence of plague there.

The Board is of opinion that as this was done on account of plague, the Senior Surgeon should himself obtain the sanction of Government to meet the expenditure out of plague funds.

14. Petition of Mr. N. Narasimhiengar of 14th February 1907 recommending the improvement of a cart-track from Bidadi to Mudavadi in the Kankanhalli Taluk.

The Board is of opinion that the good work done by the applicant amongst the raiyat of this part of the country is deserving of every encouragement and therefore think that Rs. 500 should be allotted this year for repairing the worst parts of the road.

Resolved that the next Meeting be held on 15th May next.

H. H. SPARKES,
President.
